Dear Parent/Carer

Throughout the year at certain stages in the curriculum, some events will involve the children having their photograph taken. We would very much like to share the photographs so that others can enjoy and understand more of what the children have been involved in.

This letter seeks your permission to allow us to display the photographs via the following channels.

- School website
- Display boards around the school
- Royal Opera House Website (Children who visited with Mrs Hollands in particular)
- Local newspaper
- School visits

Can you please sign the permission slip below and return it to the school office.

Yours sincerely,

M. Breeze

Moira Breeze
Assistant Headteacher
